TORONTO INTERNATIONAL DRAGON BOAT FESTIVAL 30TH ANNIVERSARY

Toronto Chinese Business Association

October 13, 2018

I am pleased to join you in marking the 30th year of the Toronto International Dragon Boat Festival.

From its small beginnings, the boat festival has grown into one of Toronto's signature events, with teams from across North America, the Caribbean nations, Europe and Asia. By bringing together thousands of paddlers and fans, this annual festival has helped establish our reputation as a major sports and tourism destination.

I want to thank the members of the Toronto Chinese Business Association for the time, resources and expertise you have contributed to ensure the success of this much-anticipated event.

I look forward to an even bigger and better festival in 2019.

Doug Ford
Premier
